

**Second level of study - MSc**

Day	Time	7:30	8:00	8:15	9:00	9:15	10:00	10:15	11:00	11:15	12:00	12:15	13:00	13:15	14:00	14:15	15:00	15:15	16:00	16:10	16:55	17:05	17:50	18:00	18:45	18:55	19:40	19:50	20:35	Number	
Monday										Alternative Drive Systems MMM010462W lecture for all building B-4, room 2.41					Analytical Mechanics MMM010474C class-exercise building B-4, room 2.41																
Tuesday							Analytical Mechanics MMM010474W lecture for all building B-4, room 2.41																								
										Machinery Design Process lecture for all MMM010476W building B-4, room 2.41					Modelling of Multibody Systems project MMM010473P building B-5, room 20																
Wednesday																															
Thursday							Design of Engineering Materials lecture for all MMM010471W building B-4, room 2.41																								
							Design of Engineering Materials laboratory MMM010471L building B-1, room 117																								
Friday							Strength of Materials MMM010475W lecture for all building B-4, room 2.41																								
										Strength of Materials MMM010475L laboratory building B-1, room 204					Alternative Drive Systems MMM010462P project building B-5, room 20																

<b>Odd weeks</b> start 28.02. 2011
<b>Even weeks</b> start 21.02. 2011
